## WHY DO YOU DONATE TO COMMUNITY OF CARE?

Bob Miller is a lifelong resident of Casselton. He is involved in a wide variety of community activities and supports many causes. One of his passions is flying—he can often be found working on his planes or flying over rural Cass County. When asked why he supports Community of Care, Bob wrote the following, *"We all receive dozens of letters and messages from charitable organizations every week. They come from all over the county, and the majority of them promote good and worthy causes that we recognize and wish to support. Nevertheless, as we drop that check in the mail, sometimes we find ourselves wondering, 'How much of my donation will actually find its way to the distressed persons outlined in the solicitation?' In the case of COMMUNITY OF CARE this is not a concern. We know the money will stay local. We know the local administrators. In many cases*

*we also know the recipients, and sometimes even the volunteers who perform the services. I am very comfortable with our COMMUNITY OF CARE."* Community of Care is blessed to have hundreds of loyal donors like Bob. We are able to serve hundreds of older adults in rural Cass County, thanks to the support of our donors. We are a community-owned organization. **Each and every gift we receive makes a difference in the lives of rural Cass residents. We hope all our donors, clients and community members agree with Bob....this is OUR COMMUNITY OF CARE!**

## **WE ARE LOOKING FOR A FEW (MORE) GOOD VOLUNTEERS!**

**Do you have a heart for older adults and the rural way of life? Do you have some extra time available to provide rides to medical appointments for an older adult?**

We are always looking for additional transportation volunteers. Each ride provided helps an older adult attend their medical appointment, but also helps them to remain in the rural Cass County home they love.

## **SOME WORDS FROM DAVID PIPER...A DONATION OPTION FOR LOCAL FARMERS**

***After several decades of preparing tax returns, I find that farmers overlook the benefit of the gifting of grain.*** This has become even more attractive since the standard deduction was increased a few years ago & most individuals don't have enough donations to itemize but can effectively get a deduction against regular income and self-employment income by gifting grain to a non-profit organization. The organization can be a church or any other non-profit that qualifies under IRS code 501(c)3. A great example of a non-profit that would benefit from this kind of donation is Community of Care.

Here are more details about the gifting of grain/commodities:

***The farmer can exclude the sale of the cash crop from income & deduct the cost of the growing the crop.*** This is only available for cash basis farmers & cannot be used by share crop landlords. There is no deduction for a charitable contribution on Schedule A of your tax return because the income from the grain is not reported anywhere on the tax return. The farmer must give up "dominion and control" of the commodity. In other words, the farmer cannot order the grain elevator to send a check for a certain amount to the charity, this would be deemed a cash gift & not qualify to be excluded from income.

***The farmer can transfer the grain to the charity by warehouse receipt, scale ticket or a notarized statement recording the number of bushels being given from grain storage on the farm.*** Grain can be donated in the year of production or a subsequent year & can be gifted at any time of the tax year. The grain being gifted should not be priced in advanced by the farmer.

***Here is an example of tax savings on a \$1,000 gift of grain: If the farmer is in a 22% individual tax bracket & would also be obligated to pay self-employment tax on their net farm income of about 15%, there would be a \$370 tax savings on the federal tax return. You still would get the full standard deduction.***

As a farmer, I have used this tax savings idea for many years. The word of God tells us to give the first fruits of our harvest to the Lord or in this case, someone in need. The Community of Care certainly fits in this case.

If you have question or would like more info on this tax idea, feel free to contact David Piper at Piper Tax Services, Inc. 701/347-4363 or consult your tax preparer to determine your individual tax implications prior to making a gift.

# 15TH ANNUAL TOTALLY TABLES A RECORD BREAKER!

An evening filled with fun & creative tables, wine wall, paddle game, socializing, a delicious dinner, auctions and Fund A Need Auction...all to support Community of Care’s mission in rural Cass County! **We were thrilled with the excitement of the evening and humbled by the generosity.** During the live auction & Fund A Need Auction, Brad Olstad from the Steffes Group reminded us “*What are we here for and what are we doing?*” Brad’s excitement & encouragement contributed to attendees generosity. Youth from Martin’s Lutheran did a marvelous job serving the dinner prepared by Concordia Catering. **All the funds raised will assist older adults continue to call rural Cass County HOME!** Thank you to everyone who made the evening a success!

## PEN PAL PROJECT WITH CENTRAL CASS 5TH GRADERS

Our Casselton Faith Community Nurse, Cindi Godbout, coordinated a Pen Pal/Journal project between 5th graders in Mrs. Akers class at Central Cass and older adults. The students and their new friends wrote in journals and shared them back and forth during the 2nd half of the school year. Mrs. Akers reported the kids loved the project and would ask “are we getting our journals back today?” The older adults loved making a new friend and were quick to pick up their journals once the students were done writing in them.

Before school was out for the year, we brought the 5th graders and pen pals together so they could meet. The room was filled with laughter and lots of smiles as they got to meet in-person. We will not be surprised to hear these new friends have continued to visit.

## CBA SPRING “BONUS” SENIOR DAY

On May 10th, Casselton Business Association sponsored a “bonus” senior day. Senior Day was cancelled the last two Octobers due to Covid. Community of Care helped to coordinate the programming for the “bonus” event. Jenna McPherson from Ohnstad Twichell presented “Estate Planning 101.” Community of Care distributed Senior Planning Care Plans, a folder designed to gather important information for your family members. We will distribute the folders again at the October CBA Sr. Day. The “bonus” day also included morning goodies sponsored by BankNorth & Bremer Bank, bingo & door prizes. The Sr. Day Committee is beginning to make plans for the October CBA Senior Day.

### STAFF CHANGE

Thank you to Lanette Johnson for her 7 years of service as the bookkeeper for Community of Care. We appreciate her dedication and attention to detail. Monique Brandvig has been hired as bookkeeper and started in April. We welcome Monique to our team.
